# Fairplex Acceptable Use Policy

## 1. INTRODUCTION

Fairplex's Acceptable Use Policy ("AUP") is intended to help enhance the use of the Internet by preventing unacceptable use. All users of Fairplex's Internet services must comply with this AUP.

We support the free flow of information and ideas over the Internet and do not actively monitor use of the Services under normal circumstances. Similarly, we do not exercise editorial control over the content of any Web site, electronic mail transmission, newsgroup, or other material created or accessible over or through the Services, except for certain proprietary Web sites. However, we may remove any materials that, in our sole discretion, may be illegal, may subject us to liability. Fairplex may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Your violation of this AUP may result in the suspension or termination of your access to the Services.

## 2. VIOLATIONS OF FAIRPLEX'S ACCEPTABLE USE POLICY

The following constitute violations of this AUP:

- a. **Illegal use.** Using the Services to transmit any material (by email, uploading, posting, or otherwise) that, intentionally or unintentionally, violates any applicable local, state, national, or international law, or any rules or regulations promulgated thereunder.
- b. **Harm to minors.** Using the Services to harm, or attempt to harm, minors in any way.
- c. **Threats.** Using the Services to transmit any material (by email, uploading, posting, or otherwise) that threatens or encourages bodily harm or destruction of property.
- d. **Harassment.** Using the Services to transmit any material (by email, uploading, posting, or otherwise) that harasses another.
- e. **Fraudulent activity.** Using the Services to making fraudulent offers to sell or buy products, items, or services, or to advance any type of financial scam such as "pyramid schemes," "ponzi schemes," and "chain letters."
- f. **Forgery or impersonation.** Adding, removing, or modifying identifying network header information in an effort to deceive or mislead is prohibited. Attempting to impersonate any person by using forged headers or other identifying information is prohibited. The use of anonymous remailers or nicknames does not constitute impersonation. Using deliberately misleading headers ("munging" headers) in news postings in order to avoid spam email address collectors is allowed.
- g. **Unsolicited commercial email/ Unsolicited bulk email.** Using the Services to transmit any unsolicited commercial email or unsolicited bulk email. Activities that have the effect of facilitating unsolicited commercial email or unsolicited bulk email whether or not that email is commercial in nature, are prohibited.
- h. **Unauthorized access.** Using the Services to access, or to attempt to access, the accounts of others, or to penetrate, or attempt to penetrate, security measures of Fairplex's or another entity's computer software or hardware, electronic communications system, or telecommunications system, whether or not the intrusion results in the corruption or loss of data.
- i. **Copyright or trademark infringement.** Using the Services to transmit any material (by email, uploading, posting, or otherwise) that infringes any copyright, trademark, patent, trade secret, or other proprietary rights of any third party, including, but not limited to, the unauthorized copying of copyrighted material, the digitization and distribution of photographs from magazines, books, or other copyrighted sources, and the unauthorized transmittal of copyrighted software.
- j. **Collection of personal data.** Using the Services to collect, or attempt to collect, personal information about third parties without their knowledge or consent.
- k. **Reselling the services.** Reselling the Services without Fairplex's authorization.
- l. **Network disruptions and unfriendly activity.** Using the Services for any activity which adversely affects the ability of other people or systems to use Fairplex's Services or the Internet. This includes "denial of service" (DoS) attacks against another network host or individual user. Interference with or disruption of other network users, network services, or network equipment is prohibited. It is the users responsibility to ensure that their network is configured in a secure manner. A user may not, through action or inaction, allow others to use their network for illegal or inappropriate actions. A users may not permit their network, through action or inaction, to be configured in such a way that gives a third party the capability to use their network in an illegal or inappropriate manner.
- m. **News.** Users should use their best judgment when posting to any newsgroup. Many groups have charters, published guidelines, FAQs, or "community standards" describing what is and is not considered appropriate. Usenet can be a valuable resource if used properly. The continued posting of off-topic articles is prohibited. Commercial advertisements are off-topic in most newsgroups, especially regional groups not specifically named for such. The presence of such articles in a group is not indicative of the group's "intended" use. Please familiarize yourself with basic USENET netiquette before posting to a newsgroup.
- n. **Multiple connections.** The use of more than one computer per IP Address is prohibited; this includes the use of routers, proxy software or NAT technology.

## 3. REPORTING VIOLATIONS OF FAIRPLEX'S AUP

Fairplex requests that anyone who believes that there is a violation of this AUP direct the information to Fairplex at [Webmaster@fairplex.com](mailto:Webmaster@fairplex.com)

If available, please provide the following information:

The IP address used to commit the alleged violation

The date and time of the alleged violation, including the time zone or offset from GMT

Evidence of the alleged violation

Fairplex may take any one or more of the following actions in response to complaints:

issue written or verbal warnings

suspend the Users account

terminate the Users account

bill the Users for administrative costs and/or reactivation charges

bring legal action to enjoin violations and/or to collect damages, if any, caused by violations.

## 4. REVISIONS TO THIS ACCEPTABLE USE POLICY

Fairplex reserves the right to revise, amend, or modify this AUP, and our other policies and agreements at any time and in any manner.
